

# Qualys Cloud Platform v3.x

## Release Notes

Version 3.8.0.1

October 1, 2021

Here's what's new in Qualys Cloud Suite 3.8.0.1!

### **Vulnerability Management, Detection, and Response**

We have introduced the following new search token to enhance your search results for ransomware:

**vulnerabilities.vulnerability.ransomware.name:** This token helps you find ransomware with a specific name.
