December 16, 2020

Here's what's new in Out-of-Band Configuration Assessment (OCA) 1.5!

[Support for New Technologies](#)

## Support for New Technologies

We now support the following new technologies through the OCA app for compliance assessment:

- Aruba ClearPass Policy Manager(CPPM) 6.x
- Cisco IOS 12.x
- Cisco IOS 15.x
- Extreme Networks BOSS 5.x
- Extreme Networks VOSS 6.x
- Extreme Networks VOSS 7.x
- Extreme Networks VOSS 8.x
- FortiOS 5.x
- FortiOS 6.x
- Gigamon GigaVUE-OS 5.x
- Pulse Connect Secure 9.x
- Microsemi SyncServer 3.x

You can now run the Policy Compliance Reports on these technologies to view your compliance posture.
